

ONE DAY WORKSHOP ON WHEELCHAIR- SEATING AND MOBILITY
CONDUCTED BY OCCUPATIONAL THERAPY DEPARTMENT, AIIPMR

Occupational Therapy department conducted a one day workshop on Wheelchair- seating and mobility. The workshop had good attendance of around 40 participants from Mumbai and outside Mumbai. The highlights of the workshop were lectures, presentations and demonstration of advanced wheelchair, seating systems and powered wheelchairs. Also, techniques like use of pressure mapping system in evaluation of pressure ulcers were shown to the participants. The staff of Occupational Therapy department were the resource persons for this academic event. A positive feedback from the participants has encouraged the faculty to plan such events in the future.
