Sub:- Hon'ble Minister Seeking information on Pending Bills and issues.

Sir/महोदय,

This has reference to Ministry's email dated 30.01.2020 on the subject noted above. In this connection information pertaining to this Institute is furnished herewith.

- (a) **Bills pending in Rajya Sabha ;**
- How many of such bills are pending for more than 5 years? List thereof.
 - Mechanism for withdrawal of how many of such bills has been initiated?
 - How many of such Bills have been listed of discussion in the last session?
- NIL
- (b) **List of Projects/Schemes/programmes of the Departments/Autonomous Bodies/Attached Offices;**
- How many of such works are in pipeline and the reasons for delay in timely completed of the works? List thereof.
- 1) **Project Name : Re-development & Re-construction of Workshop Building with an Academic Block on Plot 10A.**

Institute has planned Re-development & Re-construction of Workshop Building with an Academic Block on Plot 10A on EPC basis. SFC approved ₹.21.55 crores for the above project for Gr.+4 storey structure vide Ministry's letter No.G.25011/4/2008-MH(Pt.)/PH-II dated 28.07.2010. Due to different reasons the construction work has not started.

IOD for FSI of 1.33 with height restriction of 18.30 mtrs has been received on 30.07.2014 (2 B + Gr.+2 floors) and additional FSI of 0.46 has been received (total FSI 1.79).

The project cost has increased from ₹.21.55 crores to ₹.46.03 crores due to change in scope. Height restrictions for all the building (in the areas around the Nehru Centre Funnel) has been removed from DCPR 2034 by the concerned authorities. Hence, it is permissible to construct the structure upto 45 mtrs i.e. 2B + Gr. + 10 floors. Keeping in view the present shortage of space and future space requirements this Institute is planning to utilize the permission and construct 2B + Gr. + 10 storey structure for which PMC meeting is planned.

- How can such delayed works can be expedited? Likely date of completion along with steps taken to expedite them.

After the PMC approval, CPWD will provide the approximate estimate of expenditure for the building which may cross ₹.100 crores. On receipt of financial approvals from MHFW/DGHS, project will be commenced. If all approvals are received on time construction work will be completed in 4-5 years.

- (c) **Printing/Publishing of Diaries/Calendars/Publicity materials by Department/Autonomous Bodies/Attached Offices;**
- **How many number of such dairies/calendars/Publicity material were printed/ published. Count the list thereof ?**
 - One – ‘Samarthya’ Hindi Magazine was published by this Institute on 01st November, 2019.
 - **The cost involved in printing publishing of Dairies/calendars/Publishing Publicity materials, item-wise.**
 - Printing charges ₹. 98,574/-. (through GeM)
- (d) **Awards/recognition given by Department/Autonomous Bodies/Attached Offices;**
- **What is the procedure of Award distribution/grant of recognition?**
 - **Whether there is standard design of such awards/recognition? What protocol is followed for identifying recipients as well as conduct of such award distribution recognition ceremonies?**
 - NIL
- (e) **Issues pending for more than 5 years which were resolved in the past 5 years;**
- **A list of all such pending issues which have been resolved during the last five years is to be made.**
 - NIL
